BELGRADE

Belgrade (Serbian: Београд / Beograd) is the capital and largest city of Serbia. It is located at the joining of the Sava and Danube rivers, where the Pannonian Plain meets the Balkans. Its name translates to White city. The city has a population of 1.23 million, while over 1.65 million people live in its metro area.

Belgrade hosts many annual international cultural events, including the Film Festival, Theatre Festival, Summer Festival, Music Festival, Book Fair, and the Beer Fest. The Nobel Prize winning author Ivo Andrić wrote his most famous work, *The Bridge on the Drina*, in Belgrade.

The most prominent museum in Belgrade is the National Museum, founded in 1844 and currently closed for reconstruction, the Ethnographic Museum established in 1901, the Museum of Contemporary Art was the first Contemporary art museum in Europe founded in 1958, the Nikola Tesla Museum, founded in 1952, and the last of the major Belgrade museums is the Museum of Vuk and Dositej, which showcases the lives, work and legacy of Vuk Stefanović Karadžić and Dositej Obradović, the 19th century reformer of the Serbian literary language and the first Serbian Minister of Education, respectively.

Belgrade has wildly varying architecture, from the center of Zemun, typical of a Central European town, to the more modern architecture and spacious layout of New Belgrade. The oldest architecture is found in Kalemegdan Park. Outside of Kalemegdan, the oldest buildings date only from the 18th century, due to its geographic position and frequent wars and destructions. The oldest public structure in Belgrade is a nondescript Turkish türbe, while the oldest house is a modest clay house on Dorćol, from late 18th century.

SPORT-RECREATION CENTER “MILAN GALE MUŠKATIROVIĆ”

With complete confidence, “Milan Gale Muškatirović” can be considered a sport-recreation center with the most beautiful location in Belgrade. In such an environment perfectly fits gracefully as the grandiose modernist masterpiece of architect academician Ivo Antić – according to many, the most beautiful sports and recreational center of the capital, the building where the view can rest as much as on its surroundings.

On the other hand, SRC “Milan Gale Muškatirović” is a sports and recreation center with perhaps the most diverse and active offer in Belgrade:

– Three outdoor swimming pools (one for international competitions, one with elements of recreational water park, one for children), indoor swimming pool (sauna block with wet and dry Finnish sauna, infrared sauna and a small swimming pool), two halls for indoor sports, and coffee bar Center.

HOTEL MONA PLAZA

Meet the old town's new charm. At the corner of Cara Uroša and Solunska Street, where the first Serbian chocolate factory once stood, now stands the 4-star Mona Plaza Hotel. The perfect combination of contemporary design with the industrial and historical elements which remained from the sweet factory is a trademark of our hotel.

Located in downtown Dorćol an urban crossroads of cultures and styles, Mona Plaza is the largest convention center in the old part of town. You can book your stay in one of the 170 rooms and suites overlooking the most beautiful parts of the Serbian capital. In addition to the large multifunctional convention and exhibition area of over 2000 m², the hotel also includes a cafeteria with a wide range of chocolate treats, a restaurant, a bar, wellness and fitness center and a two-level underground parking lot.
